Go, shine in  
the world

Dear Parents and Carers,

Last week, children showed our values of 'compassion' and 'community' through the act of charitable giving. Thank you to everyone who donated £1 as part of our non-uniform day. The school raised £120. The money raised goes to our chosen charities: Plan International and New Ways.

Tickets for the Family Fancy Dress Disco have been on sale since Monday. Over three quarters of the tickets have already been sold. They are likely to sell out soon, so please buy your ticket from the school office to avoid disappointment.

Best wishes, Mr Smith (Head of School) and Mr Webb (Executive Headteacher)

## School lunch tasting session for parents..

Parents sampled the school lunches at a taster session this week. We explained to parents, with our catering partners Chartwells, how school lunches provide a nutritional meal every day for children. Many parents made positive comments about the quality and taste of the food. Please take a look at the menu on the parent noticeboards and our website.

## Year 6 visit to the Imperial War Museum

As part of their history learning on *The Impact of World War II on London*, Year 6 visited the Imperial War Museum and had the opportunity to meet Kitty, who was evacuated from London upon Britain's declaration of war with Germany in 1939. The children listened carefully to her emotional story and had the opportunity to ask lots of really thoughtful questions. Well done to Year 6 for representing St Luke's so well throughout the trip!

I have received and read the **St Luke's CE Primary School** newsletter of **04.10.24**

Please make sure your child is in school every single day unless they are too unwell to come to school.

A reminder that gates open at 8:40am and children should be in school by 9am ready to start their learning.

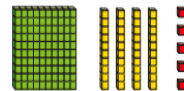

## Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by **Numeiri**, in Year 3.

This week in maths, Year 3 have been learning how to partition numbers up to 1000 using dienes.

Numeiri demonstrated superb mathematical thinking by partitioning numbers into hundreds, tens and ones. He applied his understanding to reasoning and problem solving questions whilst maintaining a high standard of presentation in his maths book.

**Well done, Numeiri!**

## Our Prayer of the Week

Dear Lord,

We thank you for examples of ways we can be excellent.

We ask that you can help to put the feeling into our hearts.

Going forward we will do better and be better than we did the day before.

Not necessarily winning, but always striving for excellence in all that we do.

Amen

## Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Smith or Ms Marsham.

**We are always really pleased to meet with you and chat things through.**
