Go, shine in
the world

Dear Parents and Carers,

Thank you to all the parents, relatives and friends who attended our Autumn Term Music Concerts yesterday. We all enjoyed watching the children showcase their talents and 'shine in the world'. If you would like your child to learn a musical instrument in school, then please contact the school office who will be able to give you more information.

Best wishes, Mr Smith (Head of School) and Mr Webb (Executive Headteacher)

Autumn Term Music Concert

Yesterday, our pupils performed with **Excellence, Inspiration** and **Determination** (three of our **school values**) in our Autumn Term Music Concerts. Each class performed songs from a range of genres with some individual musical performances too.

Science in Year 1: A visit from Ark Farm

As part of their science topic learning about animals and humans, Year 1 recently had a visit from Ark Farm. The children had a hands-on experience and got the chance to observe, pet and even feed a range of different animals including a guinea pig, rabbit, gecko, an owl as well as many others.

I have received and read the **St Luke's CE Primary School** newsletter of **29.11.24**

Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by **Atlas, in Year 1.**

This week, Year 1 have been learning to find number bonds to 10.

Atlas used counters to

work systematically to find all the number bonds to 10.

He then applied his understanding to the part-whole model to demonstrate his secure understanding with a range of problem solving and reasoning questions.

Well done, Atlas!
