Go, shine in
the world

Dear Parents and Carers,

A reminder that after-school enrichment club responses are due in on Monday. Our clubs are very popular, so please make sure that you return your child's preference form on time so that we can guarantee at least one club for your child.

Best wishes, Mr Smith (Head of School) and Mr Webb (Executive Headteacher)

Science in Year 2

As part of their Science topic on '**Animals Including Humans**', Year 2 have been learning about life cycles. They have been looking specifically at eggs that have hatched into chicks. The Year 2 classroom has been home to 10 newly hatched chicks this week and the children got a chance to see how they grow and develop. Children across the school have also had a chance to handle the chicks and learn about them.

Football Tournament...

Yesterday, St Luke's boys and girls took part in a football tournament with other schools in our partnership. The children displayed excellent footballing abilities and teamwork and also demonstrated our school values of **Respect** and **Determination**. Well done to all the children who took part- we are very proud of you!

Red Nose Day

We raised an impressive £152 for **Comic Relief**, thanks to your generous donations towards buying Red Noses. The money raised has been donated to Comic Relief. Your child will be bringing their Red Nose home to wear this evening, which is 100% plastic free.

I have received and read the **St Luke's CE Primary School** newsletter of **21.03.25**

Work of the Week!

**This week's brilliant piece of work
displayed in the school lobby is by
Maryam, in Year 3.**

This term in art, Year 3 have
been learning about printing.
This week, the children were
introduced to monoprints,
which is art created by
pressing paint between two
layers of paper.

Maryam created an acorn. She mixed paints
together to make the colours that she
needed and used her knowledge of
symmetry to paint one side. She folded the
paper together to print and create her
artwork.

Well done, Maryam!

Our Prayer of the Week

We are currently in the period of Lent

Dear God,

As we walk up our mountain
this Lent

Help us in our prayers,

In the silence of our hearts,

To know we are loved.

Help us to see

With the eyes of compassion

So that we become aware

Of the needs of others.

Amen

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Smith or Ms Marsham.

We are always really pleased to meet with you and chat things through.
