Go, shine in
the world

Dear Parents and Carers,

It is lovely to see the children settled and working very hard in this second week of term. Please make sure that your child is in school every day this term, unless they are too unwell. Every day of learning makes a difference to your child's attainment and progress.

Thank you for continuing to support your child's reading. Please ensure that you get your child to school on time every day as our daily reading lessons are first thing in the morning for all classes.

Best wishes, Mr Smith (Head of School) and Mr Webb (Executive Headteacher)

Junior Citizenship in Year 6: Visit to the London Transport Museum

This week, Year 6 attended a workshop organised by Transport for London, helping them to prepare for the challenges they may face as young adults. In workshops run by TFL, the Metropolitan Police, London Fire Brigade and St John's Ambulance, Year 6 learned about travelling safely and responsibly using bus or tube. The sessions taught the children about getting help, what to do in an emergency, awareness of possible dangers, personal safety, showing respect for members of staff and journey planning.

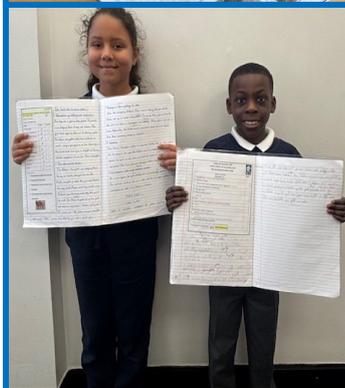

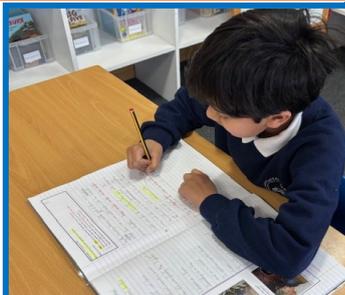

Handwriting Week at St Luke's...

Last week, Year 3 -Year 6 focused on improving their letter formation and joined handwriting as part of 'Handwriting Week'.

All Key Stage 2 children took part in daily handwriting lessons to build good handwriting habits and to further promote the importance of excellent handwriting in all subjects.

As a result of all this extra practice, we were delighted to award many more fantastic 'Handwriting Heroes' in last week's Celebration Assembly! These children have consistently demonstrated beautifully joined handwriting across all of their work. We are very proud of their exceptionally high standards!

I have received and read the **St Luke's CE Primary School** newsletter of **16.01.26**

Name of child _____ Class _____

PLEASE RETURN THIS SLIP TO THE SCHOOL OFFICE AND YOUR CHILD MIGHT WIN A PRIZE :)

Important dates for your diary...

Monday 26th January—Y3 visit to the British Museum

Thursday 29th January—Y6 visit to the theatre

Friday 30th January—Y4 visit to the British Museum

Friday 28th February—Academic Review Day (letters with appointment times will be sent out towards the end of January)

Everyone at some point in their life will struggle with something. If you're affected right now with anxiety, depression, trauma, grief, overwhelm, anger or relationship issues, I can help. Counselling helps people to quickly figure out their present challenges, get clear on what to change and how, and then bravely take first steps to repair, rebuild or transform their life going forward. I'm Juliette Jackson a counsellor and psychotherapist (HG.Dip.P)

www.juliettejackson.co.uk

I work with parents and carers like you from your child's school for no charge. **Booking a session is easy :**)

Text me on 07887553124 or e-mail me juliette@juliettejackson.co.uk and I'll get back to you.

Person of the Week!

- Reception - Aya
- Year 1 - Eden
- Year 2 - Muhammed
- Year 3 - Esa
- Year 4 - Naisha
- Year 5 - Sarah
- Year 6 - Nour

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Smith or Mr Tandy.

We are always really pleased to meet with you and chat things through.

Attendance...

Congratulations to **Year 3** who have been awarded Luke, our Attendance Bear, for having the **BEST ATTENDANCE** this week.

Year 3 had a class attendance of **98%**!

Please make sure your child is in school every single day unless they are too unwell to come to school.

A reminder that gates open at **8.40am** and children should be in school by **8.55am** ready to start their learning.

Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by **Alisia in Year 2**.

This term in Science, Year 2 have been studying 'Uses of Everyday Materials'.

Alisia has explained why a range of materials, such as glass, wool, wood and paper, are suitable or unsuitable for making different objects.

She produced detailed explanations for each material and used appropriate scientific vocabulary. Alisia also presented her work neatly, using consistent joined-up handwriting.

Well done, Alisia!

Our Prayer of the Week

Dear God,

Thank you for looking after our school

Thank you that you love each and every one of us here

Help us to learn, play and share together, So that the wonderful world you have made becomes more beautiful every day

Amen
