Go, shine in
the world

Dear Parents and Carers,

We teach our children about healthy eating as you can see from our Food Technology curriculum photos below. We have agreed the snacks that children can bring in to school. Please take a look at our Healthy Snacks poster attached to this newsletter. A healthy snack gives children's brains fuel to help them learn. Sugary snacks do not. Children must only bring in snacks for break time and in their lunch boxes that are on this poster. Items we have said are not healthy for school will be returned to you. These can be kept for children as treats at home.

Best wishes, Mr Smith (Head of School) and Mr Webb (Executive Headteacher)

Religious Education at St Luke's: Judaism workshops

Last week, pupils in Years 1–6 took part in workshops to learn about Judaism. The children learned about different festivals in the Jewish calendar and how they are celebrated, how Jewish people worship, and they also had the opportunity to interact with Jewish artefacts.

Food Technology in Year 6

This week, Year 6 had a Food Technology day where they planned, designed, made and evaluated a healthy rice dish.

They learned about the essentials of hygiene when preparing food, chose which ingredients they wanted to include in their dish. After tasting their dishes they thought about what they liked about it, if there was anything they disliked and how they could've improved it if they were to make it again.

I have received and read the **St Luke's CE Primary School** newsletter of **23.01.26**

Name of child _____ Class _____

PLEASE RETURN THIS SLIP TO THE SCHOOL OFFICE AND YOUR CHILD MIGHT WIN A PRIZE :)

Important dates for your diary...

Monday 26th January—Y3 visit to the **British Museum**

Thursday 29th January—Y6 visit to the theatre

Friday 30th January—Y4 visit to the **British Museum**

Friday 30th January—Non-uniform day (children donate £1 to charity to wear their own clothes)

Tuesday 3rd February—Y5 visit to the **Foundling Museum**

Wednesday 4th February—Y2 visit to the **Florence Nightingale Museum**

Friday 6th February—Movie afternoon/ night

Monday 16th—Friday 20th February—Half term

Wednesday 25th February—Rec visit to **London Sea Life Aquarium**

Friday 27th February—Academic Review Day (letters with appointment times will be sent out towards the end of January)

Attendance...

Congratulations to **Year 2** who have been awarded Luke, our Attendance Bear, for having the **BEST ATTENDANCE** this week.

Year 2 had a class attendance of **98%**!

Please make sure your child is in school every single day unless they are too unwell to come to school.

A reminder that gates open at **8.40am** and children should be in school by **8.55am** ready to start their learning.

Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by **Esa** in **Year 3**.

This week in maths, Year 3 have been learning how to multiply a two-digit number by a one-digit number.

Esa has followed the steps to success carefully and has answered all of the questions accurately. He has further demonstrated his secure understanding of multiplication by successfully completing a range of problem solving and reasoning questions.

Esa has taken great care with his work and has presented it neatly.

Well done, Esa!

Person of the Week!

Reception - Zedekiel

Year 1 - Nico

Year 2 - Oliver

Year 3 - Blessing

Year 4 - Kayla

Year 5 - Esther

Year 6 - Kyreis

Our Prayer of the Week

Dear God,

Give us determination -
In our lessons; in the playground,

Give us the determination and resilience
To apply ourselves to overcoming any
obstacles

We might face along the way:
Our fears, our anxieties.

Thank you for blessing us

Amen

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Smith or Mr Tandy.

We are always really pleased to meet with you and chat things through.

Healthy Snacks at our school

We can bring in a healthy snack to eat during break time. A healthy snack gives our brains fuel to help us concentrate in class.

Our healthy snacks **must not contain nuts.**

Things you can eat for your break-time snack	Things you cannot eat for your break-time snack
Fruit 	Fruit winders 
A PLAIN biscuit 	Biscuits with jam, chocolate or any other extras 
A PLAIN cereal bar	A cereal bar with chocolate on it
Vegetables e.g. carrot sticks 	Crisps 

We put our healthy snacks in the snack box as soon as we come into school.
