Go, shine in  
the world

Dear Parents and Carers,

This week, letters went home with your appointment times for **Academic Review Day** on **Friday 27<sup>th</sup> February**. This is an important meeting with your child's class teacher where you will receive part 1 of their report and discuss how you can help your child at home with their learning. Please return the slip at the bottom of the letter to the school office, confirming the time, as soon as you can. A reminder that on Academic Review Day, children should attend school for their appointment only (wearing their school uniform). Thank you for your help with this :)

Best wishes, Mr Smith (Head of School) and Mr Webb (Executive Headteacher)

## Computing in Year 2: A visit from the Camden Learning Centre (CLC)

This week, the CLC visited Year 2 to teach computing skills. They started with creating a sequence of commands and designing a programme on ScratchJr. Each student had to test their algorithm and debug it when it did not work as intended.

The children then learnt how to create a digital book through Book Creator using their prior learning on famous women in history.

## Year 6 visit to Theatre Royal Drury Lane

Year 6 had a fantastic trip to the theatre to watch Hercules. The children were captivated by the colourful costumes, catchy songs and powerful performances, bringing the ancient myth to life on stage.

I have received and read the **St Luke's CE Primary School** newsletter of **30.01.26**

**Year 5** had a class attendance of **98%**!

Please make sure your child is in school every single day unless they are too unwell to come to school.

A reminder that gates open at **8.40am** and children should be in school by **8.55am** ready to start their learning.

## Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by **Kaison** in Year 4.

This term in maths, Year 4 are learning to divide a 2-digit number by 1-digit number using a formal method.

Kaison has demonstrated excellent fluency with division facts by answering all of the questions correctly.

$$\begin{array}{r} 13 \\ 6 \overline{) 78} \end{array}$$

He has further demonstrated a secure understanding of division by successfully completing a range of problem solving and reasoning questions.

**Well done, Kaison!**

## Person of the Week!

**Reception** - Halima

**Year 1** - Taylyn

**Year 2** - Janae

**Year 3** - Zenaee

**Year 4** - Sienna

**Year 5** - Reda

**Year 6** - Sila

## Our Prayer of the Week

Dear God,

You are the creator of our world and of each one of us.

You made us in your image.

Help us to share the gifts and talents you have given us.

May we use what we have for the good of others.

We know that we belong to your family and that you love each one of us and call us by our name.

Amen

## Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Smith or Mr Tandy.

**We are always really pleased to meet with you and chat things through.**
