Go, shine in
the world

Dear Parents and Carers,

A reminder that after-school enrichment club responses are due in on Monday. Our clubs are very popular, so please make sure that you return your child's preference form on time so that we can guarantee at least one club for your child.

Best wishes, Mr Smith (Head of School) and Mr Webb (Executive Headteacher)

Football Tournament...

Yesterday, St Luke's boys and girls took part in a football tournament with other schools in our partnership.

The boys team finished 1st and the girls team finished 2nd.

The children displayed excellent footballing abilities and teamwork and also demonstrated our school values of **Respect** and **Determination**.

Well done to all the children who took part– we are very proud of you!

Eid-al-Fitr

We know that many of our families are looking forward to Eid al-Fitr which is expected to take place on Friday 20th March 2026.

As Eid is a special time for religious observance, the school is allowed by the government to authorise one day of absence to celebrate. We ask for you to inform the school office in advance if your child will be absent on this day.

Please note that the school is not allowed to authorise more than one day for Eid celebrations.

The school would like to wish Eid Mubarak to those who will be celebrating.

Reception: visit to Hampstead Heath

This week, Reception visited Hampstead Heath and took part in the *Super Spring* workshop. They went on a hunt for the signs of spring such as birds singing, seedlings growing, and blossoms. Children then participated in a bird calling activity before creating nests for birds in small groups.

I have received and read the **St Luke's CE Primary School** newsletter of **13.03.26**

Work of the Week!

This week's brilliant piece of work
displayed in the school lobby is
by Khloe in Year 2 .

Year 2's topic in Science this
term is '*Animals including
Humans*', and the children have
been learning about human life
cycles.

Khloe has written a detailed
explanation about each stage of
human development and
the key features of every
stage.

Her work is also presented
well, and she has used neat, joined-
up handwriting.

Well done, Khloe!

Our Prayer of the Week

We are currently in the period of
Lent

Dear God,

As we walk up our mountain this Lent
Help us in our prayers,
In the silence of our hearts,
To know we are loved.
Help us to see
With the eyes of compassion
So that we become aware
Of the needs of others.

Amen

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Smith or Mr Tandy.

We are always really pleased to meet with you and chat things through.
