Go, shine in  
the world

Dear Parents and Carers,

Thank you to all of the parents who joined us for Year 5's Curriculum Presentation to Parents this week. The children thoroughly enjoyed sharing their learning with you. Please take a look at 'Important dates for your diary' overleaf for more information on when these are taking place for other classes.

Best wishes, Mr Smith (Head of School) and Mr Webb (Executive Headteacher)

## Curriculum Presentation to Parents

This week, Year 5 presented some of their learning to their families, including English, RE and Writing. Children showed our school values of **Excellence** and **Inspiration** through their confident performances and impressive singing. They were very excited to share the work in their books with their families.

## History in Year 3: Visit to the Petrie Museum

This week, Year 3 visited the Petrie Museum of Egyptian Archaeology to enrich their learning in History.

The children explored many amazing ancient artefacts, including mummies, jewellery, and hieroglyphs. It felt like stepping back in time and discovering how the Ancient Egyptians lived many years ago.

The children had an amazing time and learnt lots of new facts. Please talk to your children about what they learnt.

I have received and read the **St Luke's CE Primary School** newsletter of **24.04.26**

## Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Smith or Mr Tandy.

**We are always really pleased to meet with you and chat things through.**

## Attendance...

Congratulations to **Year 4** who have been awarded Luke, our Attendance Bear, for having the **BEST ATTENDANCE** this week.

**Year 4** had a class attendance of **99%**!

Please make sure your child is in school every single day unless they are too unwell to come to school.

A reminder that gates open at **8.40am** and children should be in school by **8.55am** ready to start their learning.

## Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by **Taron** in Year 2.

This term in Science, Year 2 have been looking at the topic *Animals, including humans*.

They have been learning about oral hygiene and the importance of brushing their teeth.

Taron used his knowledge on how to keep teeth healthy and clean to create an information leaflet.

He included key scientific vocabulary and lots of detail. His work is also neat and well presented.

**Well done, Taron!**

## Our Prayer of the Week

Loving Father,

In your patient love.

Hear the prayers of your children

Make us grow in love for you

And for one another.

Amen
