Go, shine in
the world

Dear Parents and Carers,

Yesterday, children showed our values of '**compassion**' and '**community**' through the act of charitable giving. Thank you to everyone who donated £1 as part of our Non-uniform Day. The school raised **£153**. The money raised goes to our chosen charities: Plan International and New Ways.

A reminder that next week is half term. We are looking forward to seeing the children back at school on Monday 1st June.

Best wishes, Mr Smith (Head of School) and Mr Webb (Executive Headteacher)

English- Poetry Recital Assembly

This week, each class performed in a special poetry assembly. All of the children showed our school values of '**inspiration**' and '**excellence**' during their highly entertaining performances. The dramatic expression, confidence and actions of the performances really captured the audience's imagination.

Reception's visit to Hampstead Heath

Reception visited Hampstead Heath this week for a '**Minibeast**' workshop. They enjoyed some pond dipping and observing the different minibeasts they could find, learning that many stay in the pond until they are ready to become fully-grown insects. The children also explored the surrounding woodland, searching for different minibeasts under logs, in trees, and on leaves.

Science in Year 4: Visit to Hampstead Heath

This week, Year 4 visited Hampstead Heath to take part in the '**Classify That**' workshop and discover the different types of vertebrates and invertebrates in the area. They took part in pond dipping and bug hunting and used classification keys to identify the types of creatures they found.

I have received and read the **St Luke's CE Primary School** newsletter of **22.05.26**

Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by Ebrahim in Year 3.

This term in History, Year 3 have been learning all about the Ancient Egyptians.

Ebrahim has produced a detailed explanation of some of the greatest achievements of the Ancient Egyptians, including explaining how the River Nile was used, what the pyramids were used for and their religious beliefs.

Ebrahim has used key historical terminology, interesting facts and has also demonstrated fantastic joined-up handwriting.

Well done, Ebrahim!

Our Prayer of the Week

Dear Lord,

For those who are lonely or sad.

For those who are hungry and have no home of their own.

For all in our family, in our parish and in our school, Lord in your mercy, hear our prayer. Give us hope in our hearts.

Amen
