Dear Parents and Carers,

This week, the children took part in **Healthy Heart Day**. The children took part in different activities including Zumba, circuit training, skipping workshops as well as learning about how to maintain a healthy lifestyle through exercise and healthy eating.

Thank you to all the families that sponsored children on Healthy Heart Day. The children managed to raise an impressive £823, which will go towards buying new PE equipment for the school.

Best wishes, Mr Smith (Head of School) and Ms Dyson (Executive Headteacher)

Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by Shams, in Year 2.

Year 2 have been learning to count objects in 10s and 1s up to 100. They have been developing their understanding of place value and using this knowledge to solve a range of mathematical problems.

Shams used her secure place value knowledge to confidently tackle a range of problem-solving and reasoning questions. She was able to explain her thinking clearly and apply what she had learned to different challenges.

Well done, Shams!

Our Prayer of the Week

A prayer for our school community...

Dear Lord,

You have blessed us with the changing of the seasons.

Remind us in the season of autumn to take time to rest.

Thank you for the wonder of your creation. We know that it is you who give us the breath of life.

Amen

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Smith or Mr Magill.

We are always really pleased to meet with you and chat things through.
