

Over the last week, Reception have been learning new sounds for different letters and have worked hard to practise writing these letters on the whiteboard. It has been wonderful to see their confidence grow as they develop their early phonics and writing skills.

This week in Religious Education, we explored the creation story and learned about how many Christians believe that God created the world in seven days. The children enjoyed discussing the different parts of the creation story and sharing their ideas.

During our music lessons, Reception have been learning new songs and creating music using a variety of musical instruments. They particularly enjoyed using the rhythm sticks to make music together with their friends. It was lovely to see them developing their sense of rhythm while having lots of fun!
