

Over the last week, Reception have been learning new sounds for different letters and practising writing them on the whiteboard. It has been wonderful to see their confidence grow as they continue to develop their early phonics and writing skills.

In Maths, the children have been learning how to sort, match and organise objects into groups. They have been encouraged to explain why objects belong in a particular group, using their understanding of similarities and differences. For example, they have been explaining why objects belong together because they are the same and why other objects do not belong because they are different.

In Topic, we have been exploring the past and the present. The children have been learning about the differences between the things we use now as children and the things we used when we were babies.

Finally, Reception went on their very first trip this week! The children did us proud by demonstrating many of St Luke's Christian values, particularly Respect and Community. They behaved wonderfully while out in public and represented our school in an excellent manner. We are very proud of them all!

## Reminders:

Thursday– P.E. Day

Wednesday – Homework due

Thursdays – Book Change  
(Reading Records and books  
will be sent home Friday)

## Important notes:

Please remember to bring your child's book bag in every day. This build's good habits and a sense of responsibility for children.

Settling in meeting notes were sent out last week, please check the time and speak with the office if you need to reschedule your meeting.
