

Over the last week, Reception have been learning new sounds for different letters and practising writing them on the whiteboard.

In Maths, the children have been creating groups and sorting objects by looking at their similarities and differences. They have been exploring how to sort items by colour, shape, size and type, developing their mathematical thinking and problem-solving skills.

In RE, children have been exploring what makes each of us unique. They have been thinking about how we are all special in our own ways and celebrating the things that make us different from one another.

In Topic, Reception learning about healthy eating and discussing which foods are good for our bodies. They have been exploring the importance of eating a balanced diet, identifying foods we should enjoy regularly and those we should have only once in a while. They have also been thinking about how healthy choices help us to grow, stay active and feel our best.

Reminders:

Thursday– P.E. Day

Wednesday – Homework due

Thursdays – Book Change
(Reading Records and books
will be sent home Friday)

Important notes:

Please remember to bring your child's book bag in every day. This build's good habits and a sense of responsibility for children.

Settling in meeting notes will be rescheduled for after half-term.

Trips:

Reception have a trip booked to the Young V&A Museum on Friday 6th November 2026.

A letter has been sent out with all the information.
