Dear Parents and Carers,

As many of you know, Ofsted visited St Luke's this week. Thank you so much to the many parents who took the time to fill in the parent questionnaire and share their feedback with the inspectors. We are very pleased with the outcome of the inspection and very much look forward to sharing the report with you when it is finalised in the coming weeks.

We'd also like to thank the parents and the St Luke's staff, who generously gave up their time to plan and support our Family Fancy Dress Disco last Friday. It was lovely to see so many parents and pupils attending this event ([please see a selection of photos attached to this week's newsletter](#)).

Wishing all our families a peaceful half term break.

Best wishes, Mr Smith (Head of School) and Ms Dyson (Executive Headteacher)

Work of the Week!

This week's brilliant piece of work displayed in the school lobby is by Jotham, in Year 6.

This week in maths, Year 6 have been learning to solve multi-step word problems involving multiplication and division.

Jotham carefully followed the steps to success and applied his secure understanding to solve the problems accurately.

He took care to work through each stage methodically, ensuring that he selected the correct calculations to solve the problems.

Well done, Jotham !

Our Prayer of the Week

Dear Lord, O God of Creation,

You have blessed us with the changing of the seasons.

Remind us in the season of autumn to take time to rest.

Thank you for the wonder of your creation.

We know that it is you who give us the breath of life.

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Mr Smith or Mr Magill.

We are always really pleased to meet with you and chat things through.
