

# NEWSLETTER 25TH MAY 2018

Dear Parents and Carers,

The Key Stage 1 and 2 SATs are finally over! Our Team 2 and Team 6 children tried their very best and showed what resilient learners they are. We are immensely proud of all of our children and the positive way they approached these challenging statutory assessments.

St. Luke's Summer Fair 2018 is nearly upon us. After half term, the preparations for this year's Summer Fair will be in full swing. Mr. Powell and Miss Sturge have organised a coffee afternoon on the first Thursday back after half term - Thursday 14<sup>th</sup> June - for final planning and preparations for this fun, annual event. They would welcome as many parents and supporters as possible to this meeting, so please join them.

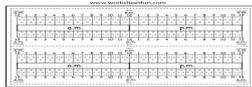

What a busy fortnight it has been, and such good fun: Key Stage 1 had a wonderful time at KidZania; Team 4 took us to Troy in their amazing assembly about the Trojan Horse; and Team 5 made a spectacular Silent Film about World War Two.

I would like to wish you all a safe and enjoyable half term holiday.

Team 1 I have been doing so well preparing for the Phonics Screening Test. We know all of our digraphs and are ready to go! In maths, we have been learning about arrays and multiplication. We have also loved learning about the countries and capital cities in the UK.

Team 4 This week, in Maths, we have been learning about time and how to solve time problems using number lines.

In English, we have been planning and writing our own version of the story, 'The Village that Vanished', from Abikanile's point of view.

Team 5 This week, Team 5 have been tirelessly planning and preparing their movie. Yes, you heard it right! Team 5 have been shooting their own film - a silent film all about World War 2 - in locations around Queen's Park. It has been written and produced by Team 5 and will be premiered at a West End theatre later on in the year. We have a chance to win awards so we have been working extra hard. Stay tuned for future announcements, and to see if we are awards winners!

Team 6 The Team 6 children are feeling very happy after their SATs last week. They worked extremely hard and managed to stay resilient throughout the week. Well done!

Team 3 This week, in Team 3, we have been looking at and describing some of the characters from our key text - The Lion, the Witch and the Wardrobe

In maths, we have been learning about the value of money, thinking hard to solve money problems. We also completed an investigation in Science, using torches, to find out which objects are opaque, translucent and transparent.

Team Rec In the spirit of Spring, Team Reception dug deep this week and turned up the weeds from their outside learning area, to make way for new fresh plants to be planted next term. The children enjoyed getting amongst the dirt - seeing snails, slugs and bugs - and equally loved the big sweep up after. It was a lovely way to unite before the end of term.

Team 2 have had a fantastic week! On Wednesday, we enjoyed a lovely visit to the library where we got to explore all of the books. On Thursday, we had an amazing day trying out all sorts of different jobs in KidZania!
